## WEEKLY ECHOES FROM ST. STANISLAUS COLLEGE

### School News.

The examinations were scheduled to take place during the week of January 16th, but were postponed until the 23rd, because a few boys from nearly every class were absent. At the regular weekly meeting on Monday morning, Bro. Peter made the announcement that if no one were sick with the grippe the examinations would take place as scheduled. It was the sad fate of the graduating class that nobody was absent. This is sufficient proof to say that Class '28 is a healthy bunch. The examinations in the graduating class were concluded on the 25th. We can enjoy a little rest now while the other classes are pondering over the questions that are to determine their fate.

The week before the exams began was one of intense study and preparation, but now that all the preparing is over the results will be awaited with great anticipation. We have not very long to wait for the results will be heard in the big study hall on January 30th. The second semester officially begins on the 30th of this month.

Bro. Casimir told the Grads that he will be in Florida or California when the results are called out. We wonder whether he is taking precautions or just needs a rest after a strenuous half year.

The boys went to the show last Friday instead of on their regular night because of Bay High's game with Manual on Saturday. The commercial students had an opportunity to put their knowledge of commercial law into practice last week. It happened in this manner: The two scientific students who are the joint proprietors of the candy shop did not sell our class president, Mr. Davis, the brand of chewing gum that he asked for. Davis asked for one stick of Juicy Fruit. One of the clerks delivered him a stick of another brand that was not very fresh.

Davis did not discover this fact until the gum was in his mouth. As soon as he tasted it, Davis looked at the wrapper that it came out of and immediately complained that it was not the brand of gum he ordered. Davis offered to return the stick of gum received in exchange for a stick of Juicy Fruit, but the two clerks refused to accept his offer on the grounds that Mr. Davis did not exercise ordinary diligence in inspecting the goods that he bought.

The goods sold him were misrepresented. So far it appeared to be a good case, but the two clerks were awarded the decision when they declared that it is a law of custom to finish selling any pack of gum that is already opened before starting on another pack. When it was all over Davis said: "Oh, let them keep the cent; this gum is not stale, it was only a little cold and is as good as any other gum now."

### Sporting News.

There were big doings at the local gym this past week. Manual Training from New Orleans and Bay Hi fought it out in a basketball game, to the tune of 23-14, the Bay boys having the upper hand.

Saturday night's game was a great victory for the Bay school, as Manual came over with the hope of making Bay Hi wish she didn't have a basketball team, but Nolan Ladner went in and ruined the visitors' hopes for the game. The game ended to the tune of 23-14, for Bay High.

### Stanislaus vs. Manual.

Those who did not see the games between Bay Hi and Manual; S. S. C. and Manual; or the Stanislaus varsity vs. R. A. C. Fraternity from New Orleans missed three good clean hard-fought games.

The 135-pounders had their usual fighting spirit, but as both teams were making too many fouls it slowed up the game. Even though the little Red Devils were out-weighted they were too fast for their opponents. Schiro, Blaize, Glover, Cantara and Colotta were the five that made up the Saints quintette that started the game and played most of the time. These five will be mighty hard for any team in their class to beat. Tuga Glover and Cantara were the outstanding players for the locals while Sullivan showed up well for the visitors.

### Stanislaus vs. Fraternity.

Sunday, January 22, the Stanislaus varsity basketball squad met the R. A. C. Fraternity in the third game of the local schedule.

The Stanislaus bunch was leading at the half 13-14, but in the second period easily drew away for a large margin, the game ended as the score stood, 34-17.

Heinen and Glover at guard played the best for the local boys. In about the last five minutes to play Coach Perkins sent in his wrecking crew. These boys did some good shooting and guarding.

The Frats seemed at a loss when they began to pass, and try a little team work, but they surely rung them for a distance, most of the tallies were made on such shots.

### Jokes.

McNeel: What about buying a nice bathrobe for yourself?  
Uhry: Nothing doing. When I take a bath, I don't wear no clothes.

Dischler: Are you strong?  
Gossen: Strong? Say, I can read the Saturday Evening Post with one hand.

Gueniot: Have you ever seen a slow motion picture?  
Sandoz: No, but I've seen a Scotchman reach for his pocketbook.

Massengill: If I saw a boy beating a donkey and stopped him from doing so, what virtue would I be showing?  
Colins: Brotherly love.

Teacher: Is Pittsburgh an American city?  
Wilson: No, sir, they play in the National League.

Fa'her: How is it that you failed on every subject at school?  
Lynch: I had an absent-minded professor and he forgot to pass me.

O'Leary: There's one word in the English language that is always pronounced wrong.  
Whittman: What word is that?  
O'Leary: Why, "wrong," of course.

### We Wonder

Who is called Colotta.  
Who would look good in short pants.  
Who is known as "Fuller."  
Who they call Daddy Long Legs.  
Who is called "Golt Ball."  
Who is known as Sodom & Gomorrah.  
Who is called "Bobby Jones."  
Who is called "The Rabbi."  
Who is known as "Solomon."

### Visitors.

Eugene Dours, a member of the junior class entertained his parents, Mr. and Mrs. E. H. Dours, and his sisters, Lucille and Marie Louise. His friend, Mr. James Ryan, accompanied the party from New Orleans.

Mr. John Vicknair spent a pleasant day at the Bay with his son Morris.

Mr. and Mrs. J. O'Neill journeyed from New Orleans to see their grandson, George Sullivan.

Alfred Purple entertained a party of four Sunday, Mrs. A. C. Purple, Mrs. Maud Rea, Miss Mary E. Hanak and Mr. Caleb H. Dana.

The college boys of last year were all enthused when Ambrose Burns and Alfred Ware entered the campus Saturday. Ambrose and Alfred are both members of '27.

In watching the intense mental and physical practice of the 1928 Rockchaws, something has been discovered, something that might be a surprise to all. This surprise is that the team looks to be developing into a real team, strong enough to play any college in the South.

Brother Peter says the High school schedule that he thought would have to be made, will be turned to a college schedule. The old S. S. C. banner will fly high from now on.

"Bring on A. & M., Old Miss, Loyola, any of them," says Mr. Grady Perkins. The complete schedule will be published in a day or two. But in the meantime next on the list is the Canal Bank & Trust Co., from New Orleans, Saturday 28th, and Sunday 29th. It comprises of the following stars: Bisco, guard; Raymond; guard; Bothe; Rousseau, forward; Bourg, forward; Moss, forward; Beauchard, forward; Rapier, guard.

### WORK AND PLAY AT S. J. A.

#### Tournament Looms Ahead.

The basketball teams are fighting hard these days—and why? Well, in the first place, Miss Mary Perkins has been down several times this past week to referee our games. Need we say what a powerful incentive Miss Perkins' presence has been, nor is it necessary to comment on the effort which each and every girl is making to help the Jays win out.

Then, too, we have been notified by Mr. Logan, director of the Catholic school Athletic League, that the second annual girls' tournament is to take place in the latter part of February or the first days of March.

You know "tournament" is a magic word at S. J. A. Those who enjoyed the privilege of going to New Orleans last year rave about the rest of us with descriptions of the games they witnessed, of the trophies they almost won, and, of course, of the wonderful good times they enjoyed.

This accounts for our determination to go to New Orleans this year—and to fight harder than ever in the interest of it.

#### High School Soon to Present "The Chaperon."

Practice on our play, "The Chaperon," began last week and we expect to present this entertaining comedy within the next three weeks. Look forward to an evening of real enjoyment when our "Playawhiles" demonstrate their ability in the theatrical line.

Feast of St. Agnes Kept By Sodality Saturday, January 21st, the feast of St. Agnes, the child martyr, chosen by the girls of the Fifth Sixth, Seventh and Eighth grades as the Patroness of their Sodality.

Knowing that they could please their beloved Patroness in no better way the girls determined to attend Mass and receive Holy Communion in her honor.

In her honor the weather last Saturday morning, the Sodality reported almost one hundred per cent. strong—an edifying proof of its loyalty and devotion to St. Agnes.

A Little Fun Now and Then—Anna Dale (being asked to compack for the evening) said to the modern girl: Well, it says Elaine climbed into her tower and today a girl would take an elevator.

Sr.: What is the meaning of tiara, Judith?  
Kate (prompting in a whisper): A triple crown.

Judith (floundering): Oh—er—a—rip around.

It's Easy to Explain Why—Judy or Hazel laugh so much about Sunday night.

Kate has developed a sudden liking for "I'm in love again."

Anna Dale was so worried Monday morning.

Anna Mae is interested in First team games.

Gracie Lou never sits near a certain window any more.

Edith spells the past tense of "slay" so queerly.

We all study so hard.

#### COMMISSIONER'S SALE OF LAND.

By virtue of a decree of the Chancery Court of Hancock County, Mississippi, rendered on the 10th day of January, 1928, in cause No. 3043 on the docket of said court, wherein Mrs. Candel Cueva et al. are complainants and Caud Cueva et al. are defendants, the undersigned special commissioner will on

MONDAY, THE 30th DAY OF FEBRUARY, 1928, within legal hours, sell at public outcry to the highest bidder for cash, at the front door of the courthouse of said county the following described land, to-wit:

Commencing at the Northeast corner of the sec. of the nw. of Section 35, Township 6 South, Range 12 West, thence running South 1320 feet to a stake; thence running West 880 feet to a stake; thence running North 4220 feet to a stake; thence running East 880 feet to the place of beginning, containing 26.66 acres, and being situated in Hancock County, Mississippi.

Said sale is to be made for the purpose of a partition among the above named complainants.

Given under my hand this 17th day of January, A. D. 1928.

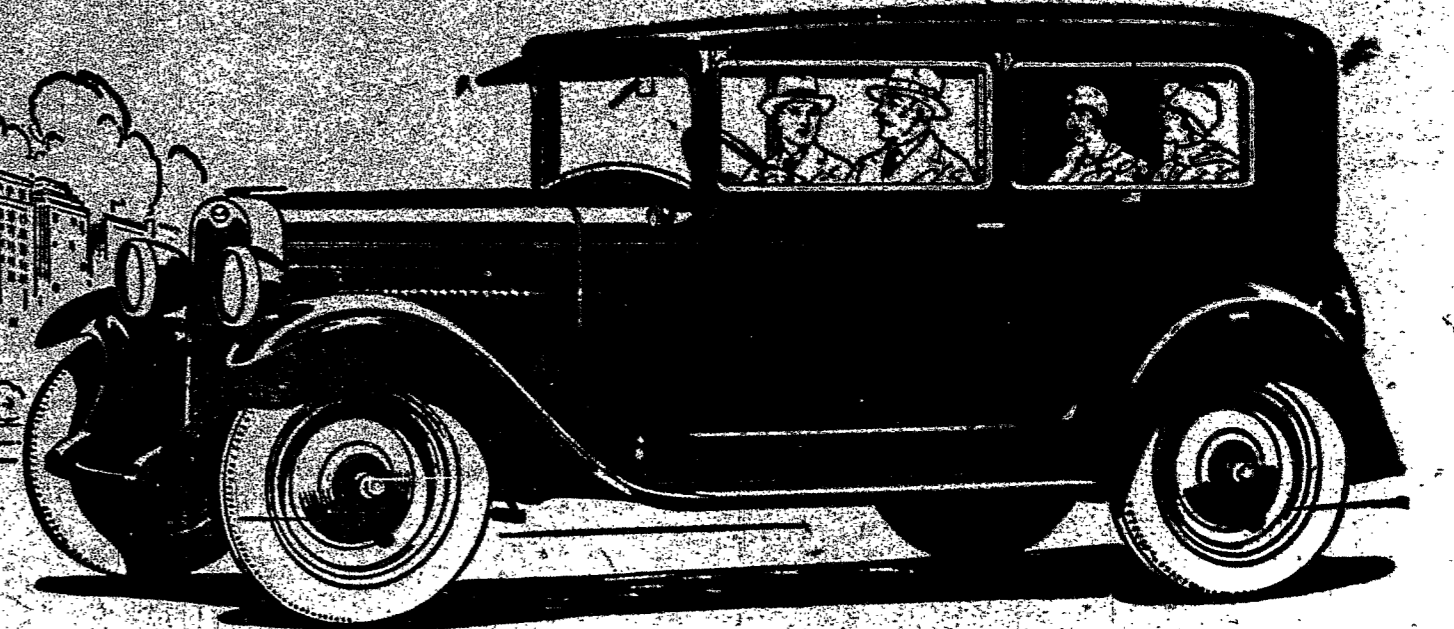

A. G. FAYRE,  
Special Commissioner.

#### Red Rocks vs. 125.

The entire 125-lb. team of last year has graduated to the 135-lb. and the 1928 varsity, 125 pounders are made up of new men. They are all well drilled as they are being taught from the beginning, and let us say, they are a clean bunch. They claim to have the fastest 125-lb. team in years; every Rocket on the squad is a A-1 goal shooter. They are acquiring the name of Sharpshooters. Wait till these youngsters put on a varsity shirt.
